#### **APPROVAL OF MINUTES**

As a first order of business, the August 13, 2013 minutes were read and unanimously approved.

#### **SPECIAL PRESENTATION**

Alex Carrington (Philadelphia Union)

Greg Imming (Philadelphia Union)

Gus introduced Messrs. Carrington and Imming from the Philadelphia Union who spoke for a few minutes regarding the Philadelphia Union soccer club and provided the handout attached as **Annex B**. Greg indicated that the purpose of their brief presentation was to familiarize the member clubs with upcoming events at PPL Park and provide information regarding ticket packages and Philadelphia Union points of contact. Alex and Greg are two of the Union employees assigned to act as liaisons to each LVYSL club as indicated on the handout. At the close of the presentation, Greg gave an autographed Philadelphia Union team picture to Gus, who later gave it to a member club selected at random from the sign-in sheet.

#### **PRESIDENT'S REPORT**

Gus Garcia (Tri-Boro SC)

Gus indicated that he wanted to cover his few topics under old/new business at the end of the meeting.

#### **EXECUTIVE DIRECTOR'S REPORT**

Rob Rooney

Rob reported that the LVYSL Fall 2013 short season weekend (Round Robin) will be held during the weekend of Nov. 23 and 24 at the Lehigh County fields. Registration is closed, and there are four teams participating in the U18 boys division, comprised of three U15 teams and one U18 team. Only one girls' team registered so there will be no girls division.

Each team will be scheduled to play three games, which is the minimum number of games required to be scheduled in an EPYSA sanctioned league to qualify for State Cup. Teams must only play one of those three scheduled games in order to qualify so in the event of rain, there will not be a make-up date as long as each team plays at least one game.

The 35th Annual Lehigh Valley Youth Soccer League Tournament will be held on Jun. 7 and 8, 2014. All of the required approval paperwork has been prepared and is expected to be submitted to EPYSA on Nov. 13. The application and website for the tournament (<http://www.lehighvalleytournament.com/>) should be on line by mid-December.

Rob finished by stating that the last weekend of the Fall '13 season was the upcoming weekend and all of the divisions, except for U13 Boys, Div. 2, were decided. He had the Fall '13 season winner's medals and distributed them before and after the meeting.

In response to a question, Rob stated that he would post the league by-laws and Rules of Play in an easily accessible part of the league website as they are currently posted in the pages of the website dedicated to each season.

#### **VP OF OPERATIONS REPORT**

Greg Ramos (Lehigh Valley United FC)

Not present.

#### **TREASURER'S REPORT**

Rich Mitstifer (Northwestern SC)

Rich reported that the 2012 LVYSL financial report is completed (a copy is attached as **Annex C**) and that the required state and federal tax filings (Form 990, BC-10) were completed, signed and mailed by their respective deadlines. He had copies of all of the documents available for review by member clubs at the meeting. For 2012, the league reported an operating loss of \$8,365.

Rich wrote checks during the period for the following expenses:

- \$1,778 to the league scheduler;
- \$3,400 to the referee assignor (paid in monthly installments);
- \$1,728 to Gina Keys for her work as a league registrar and for office expenses;
- \$1,556 to Manuela Tufano for her work as a league registrar and for office expenses;
- \$150 for an outdoor tournament bill (ATV) that came in late;
- \$749 to East Penn Self Storage for the annual fee for the LVYSL storage locker;
- \$28,215 to EPYSA for Spring '13 registration fees;
- \$199 to Crown Trophy for the Spring '13 medals; and
- \$1,300 to East Penn PC for one-half of the annual charge for website hosting and maintenance.

There are still bills to be paid to the remaining registrars for their work as league registrars and for office expenses, East Penn PC (\$450) for website services and Crown Trophy (\$498) for Fall '13 medals.

The bank balances at October 31, 2013 were \$96,460 compared to \$106,360 at October 31, 2012. The difference of approximately \$9,900 corresponds to the reported operating loss for 2012. This is due primarily to the loss of large-sided girls' teams that didn't play in Fall '13 season but are expected to play in the Spring '14 season. In addition, outdoor tournament profit is down year over year, and this year the league paid two of the league registrars in October whereas last year they were paid in November. Lastly, the league received approximately \$70,000 in entrance fees from July – October of this year compared to approximately \$73,000 during the same period last year.

After the meeting, Rich provided an update on the outdoor tournament:

- Total revenue was \$37,412 (with \$34,735 coming from entrance fees, \$1,599 from t-shirt sales and \$1,078 from vendors);
- Total expenses were \$25,947; and
- Profit was \$11,465.

## **GAMES COMMISSIONERS' REPORTS**

### **Girls/Boys Game's Commissioner and League Scheduler**

Bob Eaton

Bob reported that 190 teams played in LVYSL during the Fall '13 season resulting in the scheduling of almost 900 games. Of those games, 73 game change requests were approved with over 70% of those approved games being due to field availability plus a few one-off reasons. A little less than 30 games were denied due to the timing of the request not falling within the league guidelines or due to an invalid reason for the request.

One of the biggest challenges with the Fall '13 schedule was the number of teams that were added and dropped at the last minute by two clubs. There were 18 teams added or dropped past the deadline and a single club added 11 teams late. Because of the large number of teams added late, divisions and schedules were affected. Bob did receive positive feedback from the self-scheduling clubs, but he indicated that some clubs provided very limited field availability and therefore that makes it hard to schedule them.

A question arose regarding the splitting of A/B teams in the U10 division, and Gus explained that teams at the lower age level are not grouped by ability but by geographic location.

### **REGISTRARS' REPORT**

Kris Campbell (Parkland Area Soccer Club)

Kathy Garcia (Tri-Boro SC)

Gina Keys (Lehigh Valley United SC) - Not present.

Rich Mitstifer (Northwestern SC)

Manuela Tufano (FC Pocono)

Nothing to report.

### **EPYSA**

Wim Roset

Wim reported that youth soccer registration is down overall this year so there is some discussion ongoing at EPYSA regarding fundraising and increasing insurance fees. In addition, clubs are now responsible for paying the fees for background checks.

The members had a discussion in response to a question regarding insurance fees and the insurance coverage provided by EPYSA. Two policies cover member clubs and affiliates automatically with their membership in Eastern Pennsylvania Youth Soccer: General Liability and Excess Accident.

General Liability: Each affiliate is covered by a General Liability policy that contains the core coverage, and an umbrella policy that raises the limits of the General Liability policy. This is the basic coverage for the main exposure of Eastern Pennsylvania Youth Soccer, which are claims of bodily injury or property damage (of others). This is the critical coverage requested by field owners of rented fields. The certificate of insurance clubs ask for is really a proof of insurance to the field owners that they are covered when an injured player sues the field owner, or when a player damages a port-a-john, breaks a car windshield, etc.

Excess Accident Insurance: Players, coaches' volunteers etc... are covered by an Excess (Secondary) Accident policy. This is commonly, but perhaps mistakenly, referred to as "medical" insurance. This policy

provides additional coverage, as a secondary policy after an individual's personal primary insurance is accessed. There is a deductible, meaning a portion of the expenses, the first \$250 under our policy, is the individual's responsibility.

Eastern Pennsylvania Youth Soccer has established a grants program. This grant program will help recreation programs within Eastern Pennsylvania who are in need of assistance to maintain and grow their recreation programs. Each grant will be awarded to those organizations that intend to operate a soccer-specific program in Eastern Pennsylvania and that coincides with US Youth Soccer's mission to foster the physical, mental and emotional growth and development of America's youth through the sport of soccer at all levels. Grant amounts will be determined by the number of applicants and the needs of each applicant. All affiliates of Eastern Pennsylvania Youth Soccer with a recreation program that has been in existence for least two years and that are in good standing are eligible to apply. Members can apply and receive the grant only in non-consecutive years.

The NSCAA 2014 Convention will be held in Philadelphia from Jan. 15-19, 2014, and EPYSA will have its meeting on Jan. 18 at the convention.

The EPYSA Annual General Meeting (AGM) will be held on Sunday, Mar. 9, 2014 at the Radisson in Trevoise, PA. The meeting is being held in conjunction with the 3rd Annual Awards Celebration, which is scheduled for the night before on Mar. 8 .

### **REFEREE ASSIGNOR'S REPORT**

Hal Grah

Hal thanked the member clubs for the feedback that he received throughout the year through the game reports. Coaches should report any issues directly to Hal through the game reports, and Hal addresses all comments directly with the officials (and with coaches when they request a call back or a response). Coaches are further reminded to go to the referees after the game to get their passes as it is difficult to coordinate their retrieval once the referees have left.

He also reminded clubs, especially those that self-schedule, that they need to clear field conflicts before putting in reschedule requests. In addition, any rescheduled games should be listed for a time that is back-to-back with an existing game at the same field, if possible.

Finally, Hal stated that there is a need for new referee classes, especially in the Pocono area. He expects to lose the high school age referees that will be going to college in the Fall. In response to a question, Hal confirmed that prospective referees need to be at least 14 years of age on the test date, but can take/start the class when they are still 13 years old.

### **OLD BUSINESS**

In response to a question, the members discussed the minimum age requirements to get a coaching pass in LVYSL. The Rules of Play provide that "[n]o Coach shall be issued a pass from LVYSL until they reach 21 years of age. Those under 21 are still encouraged to assist in practices and take coaching courses available to them. Coaches shall be issued just one pass per travel year."

The members discussed the rule and the rationale for the rule.

### **NEW BUSINESS**

Gus brought up a proposal to have a divisional review period in order to allow the league to catch (if possible) and the teams to monitor whether or not all of their teams are registered with the league for the applicable seasonal year and to also contest placement in the case of errors or lack of communication between coaches and team registrars. After discussion, the league agreed to give teams 48 hours to review and potentially contest divisional placement.

**GOOD OF THE GAME**

Gus reminded clubs of the USA women's national team success and good play, and encouraged member teams to promote the games and professional and college soccer viewing in general to their players.

Pursuant to a random selection, Rich McGinnis of the St. Thomas More Soccer Club won the autographed Philadelphia Union team picture.
